

**Would you welcome an increased opportunity to become involved in public funded research and at what level?**

- a. At national level
- b. At EU level
- c. At non-EU level

An increased opportunity at EU level would be appreciated by the majority of the institutes (40 out of 46). More involvement at the national level would be welcomed by a large part of the respondents (36), more involvement at non-EU level was indicated by 22 companies.
